COMMON FACILITIES AND STORAGE

Sauna: The sauna is in the outbuilding. Lists for sauna turns are on the doors of the changing rooms. Sauna reservations are made through the rent payment's housing secretary.

Storage: The building has apartment-specific cold storage facilities in connection with the apartments.

Club room: The club room and air raid shelter are located in the same space in the yard outbuilding.

Waste canopy: Next to the D and E buildings, from the end of the parking area.

Each apartment has adjustable air conditioning and underfloor heating.

LAMINATE FLOOR CARE

It is important that you take good care of the laminate floor to keep it in good condition. Wipe off any liquid on the floor immediately. Water or other liquid must not enter the joints of the laminate. The laminate should be washed with as little water as possible and the floor should be wiped with a slightly damp cloth or mop. You can use a non-soap-based all-purpose cleaner suitable for the laminate. Soap-based cleaners leave the film on the surface of the laminate.
